MURALS
If you have not already seen our new murals throughout the school, you may have heard some of the students talking about them by now. The staff and students have enjoyed the walking tours that have taken place in the first couple of days back at school.

These murals were undertaken in the first week of the holidays by Brisbane artist, James R Ellis. He has also completed work in the main streets of Moree and Goondiwindi as well as across NSW and QLD.

The scenes were inspired by our local area. A real high-light is The Gwydir River scene, which was originally a photograph from the Head On National Photography Finalist, our very own Lachlan Starr. Lachlan allowed us access to his photographs to inspire the artist.

James R Ellis enjoyed his time here personalising our school and bringing Lachlan’s photograph to life. He will be back later on in the term to finish the project on the water tank and of Mr Coombes with the Angus cattle.
Congratulations to Brandon Tevaga who has been selected into the 2019 Northern Inland Academy of Sport - Rugby Union Program. As a part of this program, Brandon will be touring New Zealand as a member of the squad. Well done, we are so proud.

Congratulations to Amelia Kilmore who competed in the Inter-Schools Horse Extravaganza in Tamworth before the school holidays. Amelia competed against riders of all ages and won Highest Point Score for Primary K-6. Well done Amelia.

Welcome Eva Grant as a member of the Primary SRC.

Good luck to Will Johnson who will compete in the Secondary Cross Country Championships in Sydney tomorrow.

Next week, Darcy Todd travels to Orange to play netball with the North West Netball team. He will be making history as the first and only boy to ever be selected in the North West team. We are very proud of Darcy and all of his achievements and know that he will play well next week.

Congratulations to Brandon Tevaga who has been selected into the 2019 Northern Inland Academy of Sport - Rugby Union Program. As a part of this program, Brandon will be touring New Zealand as a member of the squad. Well done, we are so proud.

HSC Study Day

Friday, 26 July

HSC Study Day at the Roxy

Year 11 & 12 Students

This will be the last term of school for our Stage 6 students who will soon after be sitting their HSC Examinations.

In preparation, students will be engaged in a variety of informative sessions on Careers and UNE future pathways, examination and study techniques, examination vocabulary, time management and well-being.

We wish our Year 11 and 12 students all the best. Study hard and to try your best leading up to your final term and HSC Examinations.

“Believe and Achieve”
Welcome to Term Three
We all hope you had an enjoyable and restful break. Students have settled well into the school routine and are ready for another busy term ahead. The staff look forward to working in collaboration with you and your child to achieve their learning goals.

Kinder 100 Days of School
This week students from Kindergarten celebrated 100 days of Kindergarten.

Children participated in various activities, relating to 100 days of Kindergarten at Bingara Central School. These activities included making necklaces with 100 fruit loops and writing sentences outlining what they will do when they turn 100. The decorated party themed classroom was filled with balloons to help with the celebrations. Students had a great day of fun, dressing up as 100 year olds and participating in a large range of activities throughout the day!

‘The Twits’ – Roxy Performance
Roald Dahl’s, *The Twits* is a comedy of rebellion and justice in which Muggle-Wump the monkey races to outwit Mr and Mrs Twit, two of the most terrible and disgusting people ever to have lived. Playfulness and tricks are more successful than following the rules in this classic Roald Dahl story, making it fantastically well suited to the grotesque world of puppet theatre. This performance will be held at The Roxy on 14 August. Cost is $12 per child. Permission notes need to be returned as soon as possible.

STEMShare Kit
This term we have been fortunate to be able to borrow the Department of Education’s Robotics STEMShare Kit for the duration of Term 3. The students will be taught simple coding to move Beebots, Bluebots and WE DO 2 equipment. We look forward to using and interacting with this great learning opportunity.

Book Week Reading and Writing Day: 21 August
Primary students will be involved in reading and writing workshops on Wednesday, 21 August. At the conclusion of the day, students will be participating in a parade. Students are invited to come dressed in the theme Reading is my Superhero! More information, in regarding this day will provided in the coming weeks.

SPORT
Todd Woodbridge Cup
All students in Years 3 and 4 received a note regarding the Todd Woodbridge Cup in Inverell. This is a great opportunity for students to learn more about tennis and to have fun whilst doing so. Students do not need any previous experience playing tennis. This great event will be in Inverell on Friday, 2 August. Please return notes and money to the front office as soon as possible. All Stage 2 students are encouraged to participate.
Everyone is welcome and encouraged to attend
