A MESSAGE FROM THE PRINCIPAL'S DESK

In the absence of parents at yesterday's assembly, I had the opportunity to deliver a message straight to our students. All people demonstrate GRIT in different ways:

- Some show it by dusting off their shirts after they have been drilled into the ground by a tackle
- Some will take feedback from their teachers and do better the next time
- Some will read over their work, find mistakes and redo it at a higher level
- Some will see that a tough time is something that will pass

AND some will see that learning is not attained by chance, it must be sought for with ardour and attended to with diligence

(Abigail Adams)

This sentence encompasses everything that we want out of our engaged learners here at Bingara Central School. Let's break it down, as you would do in your English lessons. What does this quote really mean?

YOUR LEARNING IS NOT ATTAINED BY CHANCE

Everyone here needs to seek opportunities to learn. Your teachers create so many wonderful learning environments and give you a wealth of experience within the classroom. All you have to do is remain focused on your goals and reach out and take what is in front of you.

YOUR LEARNING NEEDS TO BE SOUGHT FOR WITH ARDOUR

The need to learn is only enhanced by the enthusiasm and passion that you put in. Making your own personal growth and being driven by the inner belief that you are going to do better today than yesterday.

SCHOOL NEWS

YOU NEED TO ATTEND TO YOUR LEARNING WITH DILIGENCE

Learning just does not magically happen. Learning occurs with effort, by making good choices and with a purpose to seek new knowledge and skills.

This complex sentence means more than just a few words strung together. As each and every one of you pursue excellence and strive to be elite in your own right, you will find that learning is a requirement. What you will also find is that if you engage in the process, the growth in your learning journey will be nothing short of spectacular.

But remember students, this is all dependent on if you choose to engage or not!

Year 5

This semester, Year 5 are doing a larger art project that will take several weeks to complete. They will be drawing inspiration from artists like Rosemary Petyarre, Gloria Petyarre and Dulcie Long Pwerle. These Aboriginal women are well established and successful artists who paint the dreaming story of Bush Medicine Leaves and their healing powers. Year 5 are learning about the skills of blending, sketching, different brush strokes, texture and composition. We can't wait to see how our art project comes together!

NSW CHS KNOCKOUT GALA DAY

On Friday 30 July, the Under 15's girls Netball Team travelled to Warialda to compete in the NSW CHS knockout Gala Day. The girls started strongly against a much bigger Moree Secondary College team and held on for a gritty 9 – 7 win. In their second game against Warialda B, the girls worked on a few areas of their game and came away with a convincing 15 – 3 win. Unfortunately, in the final game the girls went down against a strong Warialda A team, 23 – 12, however, finished second on the day. The girls played exceptionally well in both attack and defence and should be very proud of their efforts, it was a pleasure to take them away. Congratulations girls!
